

Let's review how your year went!! 😊

Did you stick to the assignments when practicing at home?

- I wanted to do my own thing
- I mastered it in two days then did my own thing
- I was not sure if I was doing it right
- I could see it was getting easier every day
- I liked the feeling of being certain it was really good

Did you improve in your technique?

What aspects of your left-hand technique have gotten better?

---

---

---

What aspects of your right-hand technique have gotten better?

---

---

---

Are you feeling more like a performer than a student? When you have musicianship, then it really gets interesting!

What did you get better at conveying musically? Characters? Moods?

---

---

---

Do you feel like you know more about the music you are playing now?

---

---

---

Did you feel like you were really trying when you worked on new material?

---

---

---

Have you seen/heard more concerts this year? Who did you go to see? Who did you bring with you? Did you get treats afterward and talk about what you admired? Did you go home and practice afterward?
